

Infinitely adjustable speed

Wide material clamp

Saw blade guide

BAND SAW BS135

HYDRAULIC 150MM 230V

This Cowley band saw is supplied as standard on a heavy metal, removable base cabinet, so that the saw can also be used as a table model and mobile. The band saw is equipped with a user-friendly low-voltage control panel that has an emergency switch, making it very easy to operate. This band saw has a high sawing precision by means of the adjustable five-way bearing saw blade guide. The band saw is ideal for cutting pipes and profiles made of steel, aluminum, stainless steel, Teflon, plastic and many more materials. Thanks to the adjustable material stop and adjustable sawing angle from 0° - 60°, saw cuts can be made quickly and correctly. This model comes with a small set of maintenance tools.

Features:

- User-friendly control panel
- Automatic lowering cylinder for controlled cuts
- Adjustable saw blade guide with 5 bearings
- Emergency stop
- Quick clamp system
- Bimetal saw blade
- Cast Iron Machine Clamp
- Maintenance-free bearings
- Built-in cooling pump
- Adjustable material stop
- Adjustable cutting angle 0° - 60°
- Low-speed motor, guarantees a long life
- Infinitely adjustable saw speed from 20-66 m/min
- Built-in cooling system
- Adjustable material stop
- Electrical installations in accordance with CE standards
- quick-release system

- ✓ Adjustable five-way bearing saw blade guide
- ✓ Built-in cooling system
- ✓ Variable stepless speed
- ✓ Automatic hydraulic release valve
- ✓ User-friendly control panel

Adjustable cutting angle from 0° to 60°:

- 0° round 150 mm
- 0° square 150 x 150 mm
- 45° round 100 mm
- 45° rectangle 130 x 100 mm
- 60° round 60mm
- 60° square 60 x 60 mm

Specifications

voltage	230V/ 50Hz
power	1,1kW
bandsaw speed	20 - 66 m/min
working height	890mm
saw blade dimensions	1735 x 12,7 x 0,9mm
cutting speed	variable
weight	105kg
